

Master Gardener Training

The Core Course

12 sessions

Tuesdays, 6 - 9 pm

January 22 - April 8

First Baptist Church, Rolla

University Extension of Phelps County

<http://extension.missouri.edu/phelps/mg>

Mission of Master Gardeners: to provide horticulture information and training to the gardening public – based on proven research specific to Missouri soil, plants and climate.

Part 1: Twelve Course Topics: plant growth, plant propagation, soil fertility & amendments, diseases, insects, insect treatments, landscape design principles, ornamental woody plants, fruit production, vegetables & herbs, flowers, lawn management, and MU resources. Tuition of \$150 covers the manual, handouts and travel of University professors/Extension experts to our area.

Part 2: Thirty Intern Hours: intern hours such as planning meetings, school teaching projects, garden information booths, demonstration gardens, and garden tours.

To enroll, phone University Extension:

573 - 458 - 6260.
